INDEX

The reference is to a contribution, its sections or sub-sections as the case may be. For this purpose, the articles and other features in the *Library herald* have been numbered in the alphabetical sequence A-Y and ZA-ZG making Z the Octavising digit. The sections and subsections of contributions are in decimal fraction notation except Notes and News which have been listed serially under the Contribution Numbers.

Example :

Union catalogue of learned periodicals is M64 which means : it is the sub-section 4 of section 6 of the article M ; where

M=Library Advisory Committee report

M6=Union catalogues

M64=Union catalogue of learned periodicals
